An aerial photograph of a large outdoor festival. The scene is set on a vast green lawn dotted with trees. Numerous colorful tents in shades of blue, red, yellow, and white are scattered across the field. In the lower center, there is a large, vibrant inflatable slide structure. People are seen walking between the tents and gathering in small groups. In the background, a large, circular, grey-roofed building is visible. The overall atmosphere is festive and community-oriented.

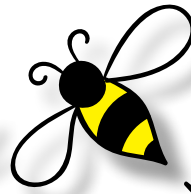

## The 2025 Lorna Mitchell Spring Festival celebrates all that's special about the Goldfields community in a day of fun and interest for the family.

Join the **150 stallholders** as they put on a colourful display of craft, homemade products, food and more featuring our multi-cultural community. Relax and enjoy live entertainment in the Goldfields most beautiful setting, Hammond Park.
