

Resilience in the Face of Adversity

FRIDAY 15 JULY 2022

Sponsorship Opportunities

The 2022 Women's Leadership Forum is a celebration of women. It aims to provide strategies for personal growth and is designed for anyone who wants to succeed in their chosen path.

The event shines a light on the important strategic position women play on the region's economy and will act as a conduit for higher representation of female leadership across our community.

Our diverse and unique speakers will share their stories of how they pioneered in their field, overcame gender inequality and adversity and became inspiring mentors for women all over the world.

Delegates take away practical tips and strategies to advance their aspirations, boost their motivation and inspire them to take the next step.
